Fifty-seven heads of youngsters stred by sons of Princes brought at the Emery and Faig sale last month \$35,370 an average of \$620, per head. Does it pay to raise this kind? Ransom has two sons and a grand son of Princes in Salina.

The learned barber on the daily should not criticize other people when he says "place" for "peace," "ladie's" for "ladies," or "Times" for "Times." Go and lie down, young man.

A great event! new lettuce and radishes, home grown, of the Earth earthy on the Earth family's table. Who can beat it?—Brookville Earth.

Lettuce see before we believe. It takes time to produce such things, you understand.

The JOURNAL received many compliments for its enterprise in printing the portraits of the councilmen-elect last week. The gentlemen thus honored exhausted the entire edition in securing copies to send to their friends.

Friend Amos of the Advocate, says Salina is becoming the Box Ton city of central Kansas. Quite correct, and the metropolis of the Gypsum Valley is doing its part toward keeping up the reputation of the county, and is the only town in the state out of debt, so far as we know.

In the district court Monday the appealed case of the city against Louis Jones, who was convicted in the police court of selling the Kansas City Sunday Sun, came up. The attorney for the defense failed to appear and the case was dismissed by the defendant paying the fine and costs.

At the meeting of the Ladies' Columbian Club held last Tuesday evening in the Commercial rooms interesting papers were read by Mesdames Brown, Teague, Clark, Haas, Rutledge, Lutz, Teague, Daily, Whitehead, Watson, Crippen, Roop, Weissinger and Rothschild. They will not only derive much pleasure but a great deal of profit from them.

There is nothing that does the man who loves his country so much good as to see a young man and a young woman come to town in a big empty farm wagon, and go home in the evening with the conveyance loaded with furniture to commence housekeeping. Several instances of this kind were noted Saturday. It looks well for the future of the state. The great American home is the best and greatest, and safest institution in the world. To make a good home should be the pride and ambition of every honest young man and young woman.

Invitations have been issued by the Modern Woodmen to attend a reception and banquet to be given April 26, in honor of the head officers and directors of the order in America, who will visit in this city on that date. This is the first visit of these gentlemen in an official capacity to Kansas, and an extra effort is being put forth to give them a reception worthy of our city and state, and in keeping with the dignity of the position of the officers. The Salina Cement Plaster company has been chartered for \$150,000, and the officers for the ensuing year are M. J. Weissinger, president; M. M. Briggs, vice president; Fred H. Quincy, secretary; P. L. Gebhart, treasurer; and W. Reese, superintendent. They have a fine bed of material near Dillon, Dickinson county, and will proceed at once to erect a mill. The gentlemen composing this company are men who have had experience in the plaster business, which will serve them well in selecting machinery and building a mill to fit the material for market. It will be a success, there is no doubt, and it means another large industry for Central Kansas, in which Salina capital is interested.

Charley Gibson has deserted the printer's craft and will hereafter take in washing for a living. He has purchased the Salina Steam Laundry of Ramsey & Neefley. The JOURNAL feels some ordinary interest in Charley's venture, inasmuch as he is in a sense one of the JOURNAL's children, having served the paper from the humble but onerous position of office devil, up to conducting the paper itself when the boss was away. Ever since he arrived at the age when the wind toyed coquettishly with his saucy girly birsute growth, his linen has been at once the wonder, admiration and envy of all the other young men of the city. He will be satisfied when all other work is done as well as he required his own in the past.

The Missouri Pacific Railway will begin on the 5th of next month to run its Wichita-Geneseo train to Salina. This will give Salina its first connection with Wichita without a change of cars. The train will arrive in the evening and leave in the morning. The request of the patrons of the road, and the action of the officials is in striking contrast with the Union Pacific officials in refusing or neglecting to run the Solomon branch train to Salina. However, as the same man, Mr. S. H. H. Clark, is the general manager of both roads those interested in the Solomon branch train might profit by an appeal to Caesar. There is yet another hope that the management of the U. P. will be changed at the coming annual election of the road.

Next week will be a busy one for Salina, as two state meetings will be held here, and it is also the date for the Shrine meeting. April 19th, 20th and 21st the Kansas Sabbath Association will hold their meetings here, and interesting programs have been prepared for the visitors.

The Democratic State Convention meets here on the 20th, which will bring 500 or 600 delegates to the city, and on the 21st the Shrine meeting will be held, which always brings quite a number of guests from surrounding towns. Salina should put on her Sunday suit, and give all her guests a hearty reception, that none may go away dissatisfied with their treatment. In addition to the above the silver jubilee of Very Rev. P. Maurer, pastor of Sacred Heart Catholic church, will be celebrated on the 20th. The two Kansas bishops and a large number of priests will be present.

The Democratic contest held at the M. E. church last Monday evening was well attended. The prize, a silver medal, was awarded to Miss Ella Brown of the Normal, by the judges, Rev. W. W. H. C. Rash and Judge Thompson, and as follows:

GRAND DRAMATIC CANTATA.

Jephthah and His Daughter at the Opera House, Monday and Tuesday Evenings, April 25th and 26th.

Admission 35 Cents.

This beautiful cantata will be given by a chorus of nearly 100 voices, assisted by a fine orchestra and some of the best talent in the city on the solo parts. It will be beautifully costumed and the plot of the cantata is so fine and the music so taking that the interest does not flag from beginning to end. Those taking part are working hard to make this the finest entertainment ever given in Salina. The Israelites in mourning because they have no leader, the general rejoicing when Jephthah comes home, Jephthah's vow, the grand soldiers march led by Jephthah and the two captains, the battle scene and tableau, the maidens on the mountain side gathering flowers and singing, the soldier's return and Jephthah's horror and dismay when his daughter meets him, Jephthah's willing sacrifice and the beautiful tableau with which the Cantata closes are some of the leading points in the story and combined with the beautiful music and elegant costumes, will be such an attractive entertainment that every one should make a special effort to attend. The Cantata is given under the auspices of the Ladies Aid Society of the M. E. church and directed by Mrs. A. E. Harlan.
